Research Proposal Form for Thesis Grant

Fiscal Year 2019

****

1. **Research Title**

2. **Research Category (select only 1 choice)**
   - ⭕ Survey including data collection using questionnaires, tests, interview
   - ⭕ Descriptive Study
   - ⭕ Social Experiment and Study
   - ⭕ Instrument Development / Social Innovation
   - ⭕ Scientific Experiment
   - ⭕ Equipment Development / Scientific Innovation
   - ⭕ Development of Technology Engineering Process
   - ⭕ Application of Engineering Technology
   - ⭕ Computer Science / Computer Engineering
   - ⭕ Other..

3. **Program of Study**
   - ⭕ Doctoral Degree in ....
   - ⭕ Master's Degree in ....

4. **Name of Researchers**
   4.1. Student's Name/Student ID /E-mail Address and Telephone's Number
   4.2. Major Advisor's Name /E-mail Address and Telephone's Number

5. **Objectives of the Research**

6. **Background Information / Significance of Research Project (in brief)**

7. **Scopes of Study and Methodology (in brief)**

8. **Plan of the Study (Specify the process, duration in each process and detail time frame of the process)**

Activity/Process	Month																	
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18

9. Budget of the Study

Items	Total Expenditure

- Expense
       Expense for analysis of samples
       Hiring / rent for research equipment
       Transportation for data collection
       Driver allowance (in case of using cars owned by government organization)
       Payment for searching of Information
       Other (please specify)
 	
-   Material
       Office items/Photocopy
       Scientific items/ Chemicals / Agriculture
       Computer items/ Electricity
       Fuel
       Other
 	
The items of expenses shown above are examples. The students could modify the items of expenses to fit their research. Please find more information detail regarding the categories of expenses on thesis grant from related document.	

Total	

10. If you receive other funding providing financial supports for research activities in thesis, please specify the name of funding (either from faculty/ university or other external agency), sources of funding, amount of funding and duration of funding (if any)
    1. Name of funding…………………………………… source of funding …………………… amount of funding …………………Bht
       Duration of funding (starting month/ year to ending month/ year)……………………………………………………………………
    2. Name of funding…………………………………… source of funding …………………… amount of funding …………………Bht
       Duration of funding (starting month/ year to ending month/ year)……………………………………………………………………

     I hereby certify that while applying for this grant I have not received other fundings providing financial supports for thesis research activities or the duration of other funding supporting for thesis has ended. All information provided here is entirely true. If it is found that all above information is not true, I agree to deprive of my application's right immediately.
